**PETITION TO WITHDRAW HOLDING OF ABANDONMENT
BASED ON FAILURE TO RECEIVE OFFICE ACTION**

Commissioner for Patents
Mail Stop: PETITION
P.O. Box 1450
Alexandria, VA 22313-1450
U.S.A.

Sir:

This is in response to the Notice of Abandonment mailed on October 7, 2005, in view of Applicant's failure to respond to the Office letter mailed on November 30, 2004.

Following a search of the file jacket and docket records, Applicant respectfully submits that the Office letter was never received by the Applicant or his representative.

In support of Applicant's contention that the Office letter was never received, enclosed in Annex A is a copy of the docket record for this file where the deadline for the nonreceived Office letter would have been entered had it been received and docketed, with the precise line on which it would have appeared highlighted in yellow. Every document that is received by our firm goes through the Mail Department. The Mail Department is responsible for entering every deadline before the mail is dispatched to the appropriate agent. Thereafter, the agents verify that the entered deadlines are correct. Two deadline dates are entered for every Office letter received from the United States Patent and Trademark Office: the deadline that is allotted by the USPTO, and the six-month final extension deadline. Based on a mailing date of November 30, 2004, the six-month final

Commissioner for Patents

extension deadline for this particular Office letter would have been May 30, 2005. Therefore, we enclose in Annex B a printout of all deadlines that were entered by our Mail Department for the five-day period from May 28, 2005 to June 1, 2005, with the precise line where the nonreceived Office letter would have been entered had it been received and docketed highlighted in yellow.

In addition, in January 2005, the Applicant's agent noticed an entry in the Private PAIRS system that an Office letter had been issued on November 30, 2004. However, the Office letter itself was not posted to Private PAIRS and could not be downloaded. On January 12, 2005, a telephone call was placed by Daria Finnie of Ogilvy Renault to Examiner LaToya I. Cross in order to obtain a copy of the Office letter. Examiner Cross said that she would investigate and get back to us.

On January 27, 2005, another call was placed by Daria Finnie to Examiner Cross, since no communication had been received. Examiner Cross said she would investigate and see what she could do.

On April 8, 2005, another call was placed by Daria Finnie to Examiner Cross, since no communication had been received. Examiner Cross was not available, and a message was left on her voice mail.

On April 11, 2005, another call was placed by Daria Finnie to Examiner Cross, who stated that it was on her to-do list to mail out that day.

On May 10, 2005, another call was placed by Daria Finnie to Examiner Cross, since no communication had been received. Examiner Cross was not available, and a message was left on her voice mail.

On May 18, 2005, another call place placed by Daria Finnie to Examiner Cross, who stated that the Office letter would be mailed shortly and the time period would be restarted.

Applicant believes that no fee is associated with this petition, however, should a fee be required, the Commissioner is hereby authorized to charge same to Account No. 19-5113.

Commissioner for Patents

In view of the above remarks, Applicant respectfully requests that a new Office letter be mailed by the Commissioner and that the holding of abandonment be withdrawn.

Respectfully submitted,
Dominique GAGNON et al.
